

Massachusetts Law Enforcement Firearms Instructors' & Armorers' Association

Post Office Box 253
Princeton, MA 01541-0253

The Massachusetts Law Enforcement Firearms Instructors and Armorers Association is sponsoring the MPTC Law Enforcement Advanced Casualty Care Class (LEACC) on November 15, 16 & 17, 2016, 8:00 PM to 4:00 PM at the MPTC Boylston Academy.

First preference for enrollment will be for MLEFIAA members. Until October 21, non-members will go on a waiting list. After that date, non-members will be enrolled in the course in the order in which they were placed on the waiting list. All enrollees must send a deposit of \$50.00, preferably in the form of a personal check, along with their MPTC training application. At the completion of the course, the checks will be returned on the student on November 17. This deposit is to assure that applicants actually attend the training.

The application can be obtained at:

<http://www.mass.gov/eopss/docs/mptc/professional-development-inservice.pdf>

It should be sent, with enrollment deposit, to: MLEFIAA, PO Box 253, Princeton, MA 01541-0253.

The content of this course involves the assessment of injuries, bleeding control, maintaining the airway and evacuation of serious injured patients. It centers around gunshot wounds received by instructors and tactical personnel, but the interventions taught are applicable to a wide range of injuries. This course is highly recommended and graduates of this course, were largely responsible for saving the life of MPTC Firearms Instructor Jamie Griffin when he received a gunshot wound during recruit training at Devens this year.
