Instructor Development & Training Conference

2017 Course Catalog

SEPTEMBER 26 – 28, 2017

Harvard, Massachusetts

Massachusetts Law Enforcement Firearms Instructors' & Armorers' Association

The 2017 Annual MLEFIAA Firearms Instructor Development Conference will be held September 26 through 28, 2016. The entire conference, including the Law Enforcement Product Expo, will take place at the Harvard Sportsman's Club located five minutes off both I-495 and Route 2. HSC is the premier private shooting facility in Massachusetts featuring over a dozen ranges including a 300 yard rifle, combat pistol, law enforcement rifle & shotgun as well as full auto ranges.

The Executive Board has worked to keep the tuition rate at an affordable \$235 for MLEFIAA members and \$325 for non-members. Your tuition includes a catered lunch on all three days. If a member wishes to include their annual dues, the tuition is \$265. Payment must be received in order for your slot to be reserved. There will be no walk in registrations permitted.

For course selection and registration, please print and complete the form at the back of this catalog and submit it to MLEFIAA Conference 2017, P.O. Box 253, Princeton, MA 01541-0253 with your payment. Please note that your seat at the conference is not confirmed until payment is received.

For those traveling a long distance and looking for accommodations, MLEFIAA has contracted with the Spring Hill Suites (Marriott) in Devens to provide suite style lodging at reasonable rates. The hotel is a 13 minute drive from the range. Room rates at the time of publishing are \$147/night plus tax for Law Enforcement. You must mention MLEFIAA and have your police ID at check-in. We strongly suggest reserving a room early because historically the hotel is sold out the week of the conference.

If you have questions, E-mail MLEFIAA Secretary Joe Picariello at secretary@mlefiaa.org or contact him by phone at (978) 464-2776 (home) or (978) 697-6654 (cell).

COURSE DESCRIPTIONS

Title of Presentation: ADVANCED COACHING & DIAGNOSTICS

Presenter: Pat Sacco **Agency:** Syracuse NY PD

Brief Overview of Presentation: Placing quick, threat-stopping hits on target is the core of all gun fighting skills. In order to accomplish this goal, firearms instructors must develop practical, fundamental skills in new officers and improve the skills of veteran officers. Once these skills are developed, instructors must challenge all officers to identify their individual skill levels in order to balance combat speed and accuracy. This class will provide the law enforcement firearms instructor with concepts, information and teaching strategies that are critical for coaching combat handgun marksmanship at all skill levels.

Required equipment:

Red guns
Pistol w/ 3 magazines
Duty belt
Flash light
Eye and ear protection
Body armor
Baseball hat
300 rounds of pistol ammunition

Title of presentation: FIREARMS TACTICS FOR HIGH RISK ARREST SITUATIONS

Presenters: Wade Johnson

Agency: VT Department of Corrections

Brief overview of presentation: This class is designed to provide an overview of firearms drills related to high risk arrest situations that can be adapted to the firing range. Examples include incorporating movement, introducing patrol officers to use of ballistic helmets and heavy ballistic vests (rifle plates), less-lethal shotgun/lethal cover officer teams, downed officer rescue, vehicle takedowns (with non-firing blue guns only), and response to active shooter situations.

Students will be able to assess a situation to make a preliminary determination if they are dealing with a barricaded gunman or an active shooter incident, and the strategies and resources necessary to respond. In addition, students will be able to instruct firearms skills and tactics that are relevant to an active shooter response.

Equipment that the student must provide:

Suitable range attire
Duty belt with handgun
Patrol rifle or shotgun if available
200 rounds of handgun ammunition; 50 rifle or shotgun rounds.
Personal Protective Equipment (body armor, hat w/visor, eye and hearing protection)
Optional: Ballistic helmet, Ballistic shield and or active shooter “go” bags

Title of Presentation: Point Shooting

Presenters: Daniel O'Toole & Dominic Sardo **Agency:** MBTA Transit Police

Brief Overview of Presentation Block will cover point shooting in different variations.

What skills and knowledge will the students obtain in your class?

Students and instructors will leave with methodology, drills and practical experience using point shooting techniques.

Equipment that the student must provide

Pistol and 3 magazines with suitable holster and magazine pouch / carrier. Ear and eye protection. Students will need approximately 300 rounds of full power PISTOL and/or ammunition.

Title of Presentation: Point Shooting or Aimed Fire... When, Where & How

Presenter: Seth Wish **Agency:** On Target Training, LLC

Brief Overview of Presentation: This class will cover the realistic limits of point shooting and expand knowledge of key elements of instinctive shooting, aimed fire. In addition students will be pushed to failure with drills that will test their marksmanship, speed and accuracy.

What skills and knowledge will the students obtain in your class?

- Key skill drills designed to enhance marksmanship
- Balance between speed and accuracy
- Limitation of point / instinctive shooting
- Shooting while moving
- Bilateral shooting
- Understanding and applying shot cadence
- Managing trigger press and reset
- Burst fire

Equipment that the student must provide

- Full size service pistol
- Duty belt / Duty rig is recommended
- Strong side belt holster
- 5 magazines (minimum)
- Ear and eye protection
- Back up firearm
- 600 rounds of pistol ammo

NOTE: This is an all day class

Title of Presentation: Basic Intro to the 1911 Pistol

Presenter: John Collura

Agency: MPTC

Brief Overview of Presentation The purpose of the course is to provide a sound basis of necessary manual skills, technical and operational knowledge, mechanical functioning, capabilities and limitations, and the safe handling of the 1911 style pistol.

What skills and knowledge will the students obtain in your class?

The student will learn the basic method of manipulating the 1911 style pistol's operating system, with emphasis on the engagement and disengagement of the manual and grip safeties.

Equipment that the student must provide

1911 Pistol w/ duty or belt mounted holster for dominant side. NO appendix carry or shoulder holsters

3 magazines / Magazine pouch (Dual preferred)

Sturdy belt at least 1.5" wide

Baseball cap

Appropriate range clothing and footwear

Eye & Ear protection, body armor

Cleaning kit with lubricant

250 rounds of ammo

Title of Presentation: Handguns with Manual Thumb Safeties: A Basic Introduction

Presenter: John Collura

Agency: MPTC

Brief Overview of Presentation The purpose of the course is to provide a sound foundation of necessary manual skills for the safe handling and firing of handguns with manual thumb safeties.

What skills and knowledge will the students obtain in your class?

The student will learn the basic method of manipulating the pistol's manual (thumb) safety, with regards to the draw and from the ready position.

Equipment that the student must provide

Pistol with Manual Thumb Safety (e.g., S&W M&P/Shield/Bodyguard, SIG P238/P938, Ruger SR Series, Beretta Px4/92 Series, et. al.)

Dominant side holster - duty or belt mounted preferred (IWB: Student must have prior concealed carry training). NO appendix carry or shoulder holsters

Sturdy belt at least 1.5" wide

2 magazines (3 preferred) / Magazine pouch (dual preferred)

Baseball cap and appropriate range clothing and footwear

Eye and hearing protection & Body armor

Title of Presentation: CONCEALED CARRY – OFF SHIFT SURVIVAL

Presenters: Cliff Alves & Jamie Griffin **Agency:** MPTC

Brief overview of presentation: This program covers the benefits and usage of off duty weapons for the law enforcement officer. The advantages and disadvantages of various available weapons will be covered as well as developing a policy & procedure for off duty weapons for your agency. Also covered will be issues related to off duty carry such as selection of holsters, clothing and methods of carry.

Required equipment: Handgun, concealment belt holster, ankle holster (optional) spare reloading devices, magazine holders, range safety equipment.

Ammo: 150 rounds

Title of Presentation: Single Action Pistols – The 1911, Browning Hi-Power and variants

Presenters: John Pajak **Agency:** Mass. Environmental Police (ret.)

Brief overview of presentation: This block will include an overview of the various types of single-action pistols rooted in the Browning designs and patents. Topics covered will be: Actions and safeties; Method of operation; Operator requirements; Carrying and carry configurations for duty, off-duty, and concealed; Maintenance including proper lubrication; Target engagement; and a qualification course.

Required equipment: For full-size pistols, students should bring at least 200 rounds of ammo. For smaller carry guns (i.e. SIG 238, 938, Colt Pony, etc.) at least 100 rounds. Personal protective equipment (eye/hearing protection, body armor, etc.) Suitable clothing for the expected weather

Title of Presentation: MODERN MEDIEVAL TACTICS – KNIFE CLASS

Presenters: Mark Belliveau **Agency:** Hampden Co. S.O. / MPTC

Brief overview of presentation: This is a comprehensive edge weapon class not only dealing with the dangers of a knife attack, but the offensive aspect of the edged weapon and how it applies to police work. During this eight hour program the officer will learn effective techniques to defend him/herself during a close quarter confrontation using both empty hand and a knife.

Required equipment: eye protection, mouth piece, white tee shirt, BDU style pants, boots or sneakers, duty belt w/ training gun. Class size is limited to 16 students due to the size of the room and the nature of the class.

NO LIVE /REAL FIREARMS OR AMMUNITION WILL BE ALLOWED IN THE CLASS.

Title of Presentation: Maximizing Performance with Smaller Defensive Handguns

Presenters: Mike Boyle

Agency: NJ Division of Fish & Wildlife
Bureau of Law Enforcement

Brief overview of presentation: Small revolvers and semi-automatic pistols are widely used by law enforcement officers to fill a variety of roles, including back-up, off-duty and undercover carry. More often than not, departmental firearms training programs focus entirely on the service weapon, and the smaller handguns utilized for discreet carry are given cursory treatment at best. Merely qualifying for the record is not adequate. This block of instruction will focus on the role of smaller hideout guns by law enforcement officers. Discussion will include weapon selection, terminal ballistics, support equipment and agency policy. Students will participate in a number of drills designed to enhance their performance when utilizing smaller pistols and revolvers.

Required equipment:

Small revolver or pistol suitable for back up, off duty or undercover work
Concealed carry holster
Spare magazines, speed loaders
Small hand held flashlight
300 rounds of ammunition

Title of Presentation: Offensive Shooting

Presenters: Matt Temkin

Agency: NYC Courts (ret.)

Brief overview of presentation: Combat shooting in a proactive 'active shooter' environment. Students will be provided with aimed and point shooting training combined with rapid movement toward the threat.

Required equipment:

Handgun (Long gun is optional)
Holster, magazines, speed loaders and other essential equipment
Personal protective equipment
400 rounds of handgun ammo
30 rounds rifle ammo (optional)

Title of Presentation: Soft Target Awareness & Updates on UK Terror Attacks

Presenters: Alex McMahon
James Trifiro

Agency: UK Gov't Security
Hampden Co. S.D.

Brief overview of presentation: Through discussion, Power Point, demonstration, table top exercise, and a 20-minute film, students will be able to develop knowledge of counter-terrorism awareness and behavioral detection methods and gain an update on the Manchester and London Attacks.

Required equipment:

Note pad, pen /pencil, Memory stick / thumb drive if you would like a copy of the presentation

Title of Presentation: Point Shooting

Presenters: Daniel O'Toole & Dominic Sardo **Agency:** MBTA Transit Police

Brief overview of presentation: Block will cover point shooting in different variations. Students will leave with methodology, drills and practical experience using point shooting techniques.

Required equipment: Pistol and 3 magazines with suitable holster and magazine pouch / carrier. Ear and eye protection 300 rounds of pistol ammo.

Title of Presentation: Officer Down / Survival Techniques

Presenters: Wayne Sallele

Agency: Medfield P.D.

Brief overview of presentation: Immediate proper self treatment and treatment of others in realistic situations

Required equipment: Tourniquets and/or any other tactical equipment carried on uniform. 50 rounds of pistol and/or rifle ammo (as applicable to your weapon load out)
Medical gloves
Comfortable clothing as some skills will be done on the ground

Title of Presentation: The Kalashnikov for the Law Enforcement Officer

Presenters: Dep. Mike Martin

Agency: Norfolk Co. Sheriff's Office

Brief overview of presentation: Give the LEO a working knowledge and experience with their AK-47, AK-74 and SKS weapon platform of the Warsaw Pact Countries and are the preferred weapons of our enemies today. These weapons are easily found and sought out by shooters and others of ill will for their reliability, lethality and durability and because of this it will be around for decades to come. What skills and knowledge will the students obtain in your class? The student will operate their weapons as it was designed to operate. With modern weapon manipulation, shooting on the move and working the AK/SKS under stress. At the end of the class the student will appreciate their AK/SKS and develop a better understanding of this weapon.

Required equipment:

- Each student must supply their own weapon, magazines and ammunition.
There will be no loaners to offer or ammunition for sale.
- Students will bring their own oil and cleaning gear.
- Minimum of 3 magazines - AK-47 AK-74
- Handgun with a minimum of 3 magazines. Strong side holster.
- IFAK (Individual first aid kit) with a tourniquet.
- Minimum of 6 stripper clips – if using an SKS
- SLINGS are mandatory.
- All weapons will be sighted before class.
- Eye and ear protection. Electronic ear protection is recommended.
- Appropriate weather permitting clothing and footwear.
- Hats with a brim
- Sunscreen and insect repellent.
- Approximately 150 rounds of full power PISTOL & 500 rounds of RIFLE ammunition.

Title of Presentation: Tactical Shotgun Course

Presenters: Lt. Mike Grady

Agency: Mass. Environmental Police

Brief overview of presentation: Increasing proficiency in shotgun shooting fundamentals to include firing up to 50+ yards, multi-target engagement and rapid employment of shotgun from the ready position. Students will realize increased accuracy at distance, increased mechanical proficiency, and appreciation of capability of 12 gauge slug ammunition.

Required equipment:

- Tactical shotgun (pump or semi-auto) w/sling
- 50 rounds slug / 8 rounds 00 buck or birdshot
- Stock mounted ammo caddy (optional)
- Dark colored T-shirt to use as a target

Title of Presentation: Sighted Shooting vs. Point Shooting WHY YOU NEED BOTH!

Presenters: Lt. Bill Leanos (ret.)

Agency: MPTC

Brief overview of presentation: There have been many discussions on the pros and cons of sighted shooting vs. point shooting. This block of instruction will examine both techniques and will demonstrate why it is important for officers to know both. Students will engage targets from a variety of distances using point shooting and sighted techniques to successfully engage encounters within close quarters. We will also look at the use of edged weapons as distraction devices during handgun retention techniques. This four hour block of instruction will be challenging and fun at the same time.

Required equipment:

- Duty gear
- 200 Rounds Pistol
- Edged Weapon
- Safety Gear.

Title of Presentation: Basic Patrol Rifle

Presenters: Carmine Vivolo

Agency: Somerville P.D.

Brief overview of presentation: Basic rifle drills for departments who are implementing the patrol rifle. Initial certification requirements for officers. Tactical drills when deploying the patrol rifle. Students will learn basic knowledge of the patrol rifle. Tactical drills to bring back to their department and keep their students motivated.

Required equipment:

- Ear and Eye protection
- Ballistic Vest
- Baseball Style Cap
- 10 Rifle Dummy Rounds
- 500 Rounds Rifle
- 100 Rounds Pistol
- Duty belt with handgun and three magazines

Title of Presentation: One Handed Skills Are Not Optional

Presenters: Jerry Eramo

Agency: Rockland Police Dept.

Brief overview of presentation: Since the onset of officer worn body cameras, more and more video content is exposing the realities of gunfights. This has shown that one handed shooting techniques are often used in the gun battle. Whether moving for cover, injured or holding something, officers may be forced to utilize one handed skills to confront a suspect to protect their life or someone else. This course will provide a training platform for instructors to review one handed shooting techniques with their officers. Students will be exposed to strong side and support side one handed techniques with their dominant and non-dominant eye. They will gain the ability to smoothly transition from the strong hand to the support hand in addition to moving and shooting accurately with one hand. They will also shoot from cover with one hand. One handed reloading and malfunction clearing operations will also be discussed during the course.

Required equipment:

Eye & hearing protection

Body armor

300 rounds of ammo

Title of Presentation: FRAMINGHAM PD OFFICER INVOLVED SHOOTING - DEBREIF

Presenters: Paul Duncan

Agency: Framingham P.D.

Brief overview of presentation: This presentation is an in depth look and firsthand look at an officer involved shooting and aftermath which can be expected in the Commonwealth of Massachusetts.

Required equipment: Note taking material

Title of Presentation: TREATMENT OF GUNSHOT WOUNDS

Presenters: Frank Eldridge

Agency: Newton PD

Brief overview of presentation: This presentation will introduce the firearms instructor to emergency care of gunshot wounds. Students will learn Self Aid, Buddy Aid, tourniquet skills and receive an introduction to Law Enforcement Advanced Casualty Care.

Required equipment: No special equipment is required for this class.

Title of Presentation: FORT DEVENS RANGE INCIDENT - DEBRIEF

Presenters: Chief Bert DuVernay, (retired)

Agency: MPTC / MLEFIAA staff

Brief overview of presentation: This session is to present lessons learned during an incident in which an instructor was shot on the range. In April 2016, a Massachusetts Municipal Police Training Committee firearms instructor received a nearly fatal gunshot wound during a recruit class. He received immediate life saving treatment on scene by fellow instructors that are graduates of Massachusetts' new Law Enforcement Advance Casualty Care course and was transported by helicopter to a trauma center. Presented will be lessons learned concerning range safety, gunshot wound treatment, and emergency procedures.

Required equipment:

Note taking materials if desired

Note: This is a two hour presentation and will be offered on Wednesday (Day 2). The morning session will be from 0900 to 1100 and the afternoon session will be from 1330 to 1530.
